

LIFE IS A GIFT...

LIFE IS AN ASSET...

MAKE THE MOST OF IT!

**African American
Post Traumatic
Stress Disorder
Association**

*We now have an opportunity to leave a legacy for our fellow veterans in need,
without having to write a check!*

“Premium Financed Life Insurance”

With “Premium Financed Life Insurance”, the bank pays the premiums for you. The bank is then repaid using a portion of the death benefit. The balance of the full face value of the policy will go directly to the “African American Post Traumatic Stress Disorder Association” when listed as the beneficiary.

This opportunity to give requires no out of pocket expense to the donor, and will not affect or change your existing estate plans in any way. If you are between the ages of 69 to 90, or know of someone who is, we ask you to please call us to get more information on leaving a legacy to the “A.A.P.T.S.D.” association through this incredible program.

Please, help us to continue to serve our brave and selfless veterans by leaving a “Gift of a Lifetime”.

Call Mr. Sidney Lee- President of “A.A.P.T.S.D.” for more information @ (253) 298-7941

Thank you for your continued support. Your partnership in serving “American’s Heroes” is priceless.

Sincerely,
